## Dinosaurs for Adults

Thursday, January 28, 6–9 p.m.

Enjoy a fun evening out at the Academy while learning about the latest in dinosaur research! During “Dinosaurs for Adults,” you’ll get the basics about what’s a dinosaur and what’s not a dinosaur, as well as learn about the latest in dinosaur discoveries. You’ll be able to impress your friends and family with your knowledge of dinosaurs and you’ll be able to pronounce *Pachycephalosaurius* and *Parasauralophus* better than them!

**Call 215-299-1060 to register.**

Dinosaurs for Adults is only one of the Academy’s new [adult workshops and classes](#):

- Nature Jewelry (Saturday, February 27, 1–2:30 p.m.)
- Rare Prints and the Art of Printmaking (Thursday March 4, 6:30–8:30 p.m.)
- Conserving Native Pollinators (Saturday, April 10, 1:30–4:30 p.m.)
