

October 28, 2009

Dear Parents,

On Wednesday, November 4, 2009 at 10:00 a.m., a test message from the AlertNow Rapid Communication Service will be sent to each home, cell phone and work number on record for Friends Select School families and staff. The message will be identified clearly as a "test." If for some reason the test message does not reach your desired contact number, please e-mail Ellen Gershman in the Admission Office at ellen@friends-select.org to note any changes in your home, cell or work phone numbers. Please specify which numbers require correction.

The AlertNow Rapid Communication Service is an automated calling service designed for PK-12 schools that can communicate voice messages at a rate of more than 4,000 per minute. Friends Select School will use this service to contact families only if there is an emergency situation at the school.

Thank you,

Michael J. Noonan
Business Manager
