

Middle School Supply List, 2010-2011

Below is the supply list for all middle school classes. You are not expected to buy supplies for a class that is not listed below (i.e. Art). Although each language we offer is listed, you are only expected to buy supplies for your language choice. If you are unsure of your language choice, please ask. Color recommendations are made by the teachers to aid students in organization. If a color is not available, please choose the closest color that is not already suggested for another class

If you have any questions, please contact Terry Kessel at terryk@friends-select.org or ext. 123, OR Lynda Stine at ext. 116.
